Now, since our town has a new court house and the Home Coming is going to be a fixture it is not in order to put our city in the best condition possible, especially from a sanitary standpoint? We call the board of health's attention to the nuisances on the alley running south from that splendid new court house, back of Bruening and Kerstners. Let the owners of property or any tenant go along that alley in the morning and experience the sweet odor and then say what should be done. If the town council had anything to do with such matters we would call their attention to it, but this honorable body looks only after the financial part of the city.

THE STATE NORMAL SCHOOL
Cape Girardeau Missouri

been enriched by buying property cheap and holding it until it became valuable. Cape Girardeau is the metropolis of Southeast Missouri. The town has wonderful natural advantages. In this town is located the greatest Normal School in the world. Also many factories and industrial establishments. A great auction sale of lots conducted by Van Buskirk, the greatest auctioneer in the world, will take place there, on the 26th day of August, sale beginning at 1:30 P. M. and \$2,000.00 in gifts will be distributed among those who attend the sale. 162 lots will be sold, and the sale will continue from day to day until all the property is disposed of. The property is among the most valuable, best situated and desirable in that city. Anyone who contemplates, either now or hereafter, to secure a place to build a home there can purchase a lot now at such a price as \$300 or \$400 which in perhaps ten years will be worth \$1,500 or \$2,000. We are told that lots in that locality now sell for \$600 to \$800, but this property will be sold without reserve and no doubt will go at a bargain.

Nervous Indigestion

The action of digestion is controlled by nerves leading to the stomach. When they are weak, the stomach is deprived of its energy. It has no power to do its work. If you want permanent relief, you must restore this energy. Dr. Miles' Nervine restores nervous energy, and gives the organs power to perform their functions.

"For many years I was an acute sufferer from nervous indigestion; at times I was so distressed I seemed almost a burden. I tried all kinds of remedies and various physicians with little or no relief, until one night last summer I saw Dr. Miles' Nervine and Heart Cure advertised. I resolved to make one more trial, which I did in the purchase of one bottle of Nervine and one of Heart Cure. In a few days I began to feel better, which encouraged me so much that I continued the medicine until I had taken more than a dozen bottles. I am very much improved in every way; in body, mind and spirits since. I make a special point to recommend the medicine, and I feel a sincere pleasure in knowing that several persons have been benefited through my recommendations."
A. S. MELTON, Asheville, N. C.
Dr. Miles' Nervine is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails, he will refund your money.
